E	<u>CORRESPONDENCE</u>
F	<u>STAFF REPORTS</u>
2024 Draft Budget	<p>F1</p> <p>Director of Finance Mrs. Elias presented the proposed 2024 District Budget including general, sewer, water and capital projects.</p> <p>Individual Capital Projects were previously endorsed by Council.</p> <p>The detailed narratives were reviewed, and significant items were noted in the attached memo.</p> <p><u>Other items discussed included:</u></p> <p>Administration Recovery was increased to account for the South Cariboo Recreation Center manager position.</p> <p>Council requested the cemetery fees be analyzed to ensure cost recovery is being obtained. Any recommended changes to the Fees would be considered by Council with a Bylaw amendment.</p> <p>Campground revenue was removed as the facility will be closed, however the expenses remain within the budget to account for some final clean up of the area.</p> <p>Community Hall is busy with bookings and staff time has been allocated to the function. The District was successful with the commercial kitchen design and engineering grant. Janitorial services was increased to account for services.</p> <p>Transit revenue is minimal in comparison to providing the service. Council requested an analysis should be completed on transit fares and an increase in fare options brought back to Council for consideration. It has been 15+ years since fares have been increased.</p>

The District was successful with the Vision Zero grant to improve pedestrian safety at the crossing of First & Birch. A traffic safety engineer will be on site in April to review options.

The Provincial Emergency Program provides an allotment per hour, per incident in addition to the Cariboo Regional Districts contribution for any highway rescue call outs. Council requested financial information relating to the cost recovery on Highway Rescue be provided.

Travel allowance for Mayor and Council was discussed and the importance of value for dollar in attending events representing the District. In addition, membership to multiple associations and the benefits they provide was noted.

The funds allotted for fire department to conduct commercial fire inspections has been utilized within the first three months of the year with over 240 inspections completed and over 170 re-inspections.

The current contract with the commissionaires is expiring and the current Bylaw officer is retiring. This is an opportunity for staff to review the service and need of the community. Options are being explored of either renewing with commissionaires, hiring personnel or adding the Bylaw services to the fire department list of duties. Should the Fire Department choose to undertake these services the hours not responding to Bylaw complaints/concerns could be utilized for additional inspection services.

Fee for railroad crossing – Council requested staff investigate the rationale on the continued increase.

Once the final Tourism plan is completed the final document will be brought back to Council for consideration of any items they wish to implement. One item of note was the part-time vacant position that the VIC is preparing to fill could have more of tourism focus then just a retail clerk.

Sign Bylaw is a significant project and the District currently does not have internal capacity to complete. The amount provided in the budget is only an estimate.

	<p>Property Taxes - Property tax scenarios were discussed. Staff recommended a 5% increase annually for a minimum of three years due to the significant amount of capital works to be completed in the coming years, loss of major industrial revenue and inflationary operational costs.</p> <p>Council requested staff prepare alternative scenarios including 6%, 7%, and 10% for Councils consideration at the next regular meeting.</p> <p>Overall, the draft budget is endorsed by the committee with no changes noted. Final tax rates will be discussed at the next regular meeting.</p>

Greetings Honourable Mayor and Council Members,

I am writing this letter to you all as a request for road signage change.

As you all are aware our legion 100 Mile House Branch 260 has been serving the 100 Mile House district for over 60 years. Over those years we have given back to the district over a half million dollars. We have donated to various organizations such as the Cadets, White Cane Club, the Hospital Auxiliary, Girl Guides, and other organizations. It has been our pleasure to serve our mandated group being that of veterans and their families. In 2023 we donated over \$20,000 to local groups.

As you also know we have established ourselves as an iconic fixture here in 100 Mile House, and part of its growth and it's continued growth.

Without prejudice, we respectfully ask that you consider naming our current road south from Horse Lake Road on Alder Ave to Veterans Way. This is a similar request as for the road name change to Wranglers Way.

Thanking you in advance for your consideration.

Subject: South Cariboo Sustainability Society Compost Request

The South Cariboo Sustainability Society has submitted a request to the District to continue with the current composting program at the Community Garden on the corner of First Street and Birch Avenue.

In 2022 the society sought approval from Council to install additional compost bins to minimize impacts on local landfills. Council supported a one-year trial period for increased public composting at the Community Place Garden. Municipal staff were instructed to monitor to ensure that wildlife attractants, encounters, odour, excessive dumping, and other possible nuisance factors did not arise. To date staff has not received any public complaints or concerns.

Currently the Community Garden use is deemed by the District to be a temporary use only, and the expectation is that future uses will be of a commercial nature on this prominent location downtown.

Recommendation:

BE IT RESOLVED THAT the memo from Administration dated March 21st, 2024 regarding the South Cariboo Sustainability Society Compost request be received; and

“Further action at the discretion of Council”

Mural Mosaic

Mural Mosaic is a process invented by artist Lewis Lavoie that takes individual paintings and places them in a specific order to create a large painting. The first Mural Mosaic was created in 1997 for a retaining wall next to an art gallery in St. Albert, Alberta, Canada. Five years later, in 2004, Lavoie took his process and involve other artists. During a 24-hour "paint-a-thon" to raise money for a local charity, Lavoie pre-prepared panels with color tones and shapes, then using the color guidelines on the prepared panels as inspiration, artists created a painting using their own style. When all the panels were reunited, the final image was a huge success.

Completed Mural!

Following the success of the "Fiddler" Mural Mosaic had multiple requests for other projects – No other art medium has the ability to include multiple participants, styles, voices, subject matters that all come together in to one unified cohesive beautiful masterpiece image. Mural Mosaic unique ability to be fully inclusive allowing the uniqueness of individuals while maintaining singular voice has made it the ultimate project for communities and schools as well fine art that can tell multiple stories. Mural Mosaic has orchestrated hundreds of collaborative murals around North America involving thousands of artists and non- artists alike from all over the world.

MURAL MOSAIC'S GLOBAL ROOTS

Experience the power of art and connection with Mural Mosaic's Global Roots Project. This groundbreaking initiative is bringing communities together, one painted tile, one tree, and one country at a time. Led by acclaimed artist Lewis Lavoie, we are creating stunning mural mosaics that symbolize unity and connection.

Imagine being part of a global art movement that transcends borders and connects people from all walks of life. With each tile beautifully painted by individuals like you,

we are weaving together stories, cultures, and emotions into one breathtaking masterpiece.

Join us on this incredible journey as we spread the joy and inspiration of painting. Whether it's your local community, your family, or your long-distance loved ones, the Global Roots Project bridges the gaps and fosters meaningful connections.

Be a part of something extraordinary. As the project 'plants' these remarkable mosaic trees country by country, watch as this artistic movement grows around the world. Together, let's create a legacy that celebrates our shared humanity through the universal language of art.

Come paint a tile and get involved in Mural Mosaic's Global Roots Project today to leave your mark on this awe-inspiring collaborative artwork. Together, we can make the world a more connected and vibrant place, one painted tile at a time.

JOIN Global Roots TODAY!

WHO IS PRODUCING GLOBAL ROOTS?

Mural Mosaic has been connecting communities, businesses, schools and teams since 2003.

Our passion is unity through diversity. We see our mosaic murals as community connectors.

Connecting one tile at a time to create a moving mosaic legacy of a moment in time.

We are grateful for the opportunity to have worked with so many incredible organizations to celebrate their milestones and to create lasting memories in these beautiful expressions of mosaic art murals.

MURALS AROUND THE WORLD

Imagine a world covered in diverse expressions of art from people everywhere!

Global Roots will be planting mosaic art tree murals in communities around the world.

The world map is like a dream board. Global Roots is reaching out to create as many murals as possible around the world to reconnect us all to our roots.

Roots of our communities, homes and families. Also, the roots of sharing, giving and connection.

The inspiration behind the project is to (re)ignite and (re)inspire our world back to what matters most - our connections to one another.

We are a mosaic of individual strengths and differences and together we are one united work of art.

Invitation to support northern BC public transit campaign

Invitation to support northern BC public transit campaign

Hi there,

Earlier this month, you received an email from CEO Joel McKay at Northern Development regarding a new region-wide marketing campaign to raise greater awareness of the available bus services in northern and central BC: **Bus the North**.

Northern Development is partnering with **Monogram Communications** to launch the Bus the North campaign this spring. We're reaching out to organizations and businesses in communities along Highway 16 and 97 for support with promoting the Bus the North initiative.

The need for rural transit

Bus transportation is an essential service that makes it possible for residents in smaller communities to remain connected and travel for employment, educational, medical, recreational and social reasons.

While different providers stepped up to fill the gap that Greyhound's bus services left in 2018, research has shown that many residents are not aware of the safe, reliable and affordable transit options that are available to them today.

How you can help us

Organizations like yourself are providing critical services in our communities or function as a place of connection. For this upcoming campaign, we're looking for your support in sharing information and promotion materials for Bus the North with your employees, clients, customers, patients and members. Together, we can make a real change in connecting communities across northern and central BC.

Here's how we'd collaborate with you:

- Before the launch of the campaign this spring, we'll share more information about the campaign and provide you with an online toolbox with instructions and ready-to-go content and visuals. You can use these toolbox materials to help promote the campaign on your own digital platforms (such as website, newsletters and social media channels) or in your office, centre or shop (such as posters and rack cards).
- Following the launch, we'll share new campaign updates and content with you until the end of the campaign in December, 2024.

What we'd need from you

If you're interested in helping Northern Development and Monogram Communications promote the Bus the North initiative, please fill out the campaign's SurveyMonkey form (**see button at the end of this email**) to help us get the necessary information from your organization to prepare for the launch of the campaign.

We are organizing an information session on **Friday, March 22 from 10 - 11 am PT** to share more about the campaign and how we'd like to work with you to make this campaign a success. Upon completing this SurveyMonkey form, you will receive an invite from us for this information session.

Note: we will organize a second information session early April for those who are unable to attend the March 22 session.

Questions about Bus the North or the SurveyMonkey form

For any questions about the Bus the North campaign or this SurveyMonkey form, please reach out directly to Jessie Scheele at Monogram Communications: jessie@monogramcomms.ca.

Thank you for all that you do for communities in northern and central BC.

Dear Sirs / Mesdames:

Re: Grant in Assistance, 2024

We are writing to express our sincere gratitude for your support in providing a Grant in Assistance in the amount of \$375 to the South Cariboo Community Enhancement Foundation for the year 2024. We need this assistance to support the administrative and marketing functions which are such an important part of our charitable activities. On that note, it may interest you to know that we currently provide grants averaging \$23,000 each year to local community organizations in furtherance of our mission of promoting the quality of life in the South Cariboo. We look forward to growing our endowment fund to enable us to expand our pool of worthy grant recipients.

We appreciate not only your support but also the suggestions made to us when a few of our board members recently attended a meeting of the Joint Committee. It will be our pleasure to report to you at the end of the calendar year about how we used and benefitted from both your grant and your suggestions. Your support, expertise and experience are a profound encouragement as we grow and develop this foundation.

Sincerely,

NCLGA Member Communities
North Central British Columbia

13 March 2024

Good day to your local government,

RE: 2024 NCLGA Resolutions

To our fellow NCLGA members we write to share three items that the City of Prince George has submitted to the annual conference. This year, we have again resolved to look at items that are not only of interest to our region but that also impact those across the province.

We hope we can count on you to support these three items when the time comes and have included full text of each resolution with the background below for consideration.

The City of Prince George has already written to the relevant Ministers directly on each of these items. Still, if you would like to be involved in future advocacy, separate from the NCLGA process, please reach out and our staff will work to coordinate interest with any emerging opportunities.

Working together to:

- Enhance emergency response options for North Central BC.
- Expanding educational curriculum to fight hate.
- Develop a mechanism to ensure each of our communities receives appropriate revenues.

These are three items we feel are a benefit to us all. We look forward to discussing these resolutions, and meeting at the NCLGA AGM this May in Smithers!

Thank you for your time and consideration.

Respectfully,

Prince George City Council.

North Central Local Government Association - 2024 Resolution Submissions

Resolution #1: Host Community Reception Centre in the City of Prince George

WHEREAS the City of Prince George is proud, well positioned, and routinely provides host community support to the region as community's grapple with more frequent emergencies, and;

WHEREAS no dedicated facilities have been constructed in the region to appropriately manage this response, leading to frequent reception center relocations which add unnecessary strain on all involved;

THEREFORE, BE IT RESOLVED that the North Central Local Government Association requests the province fund a permanent Host Community Reception Centre in the City of Prince George for the North Central Local Government Area.

Background: The City of Prince George is proud to support our neighbors as a host community during emergencies. Activating the Prince George Emergency Operations Center (EOC) has become an almost annual task. The City set up some form of host community Emergency Social Services (ESS) reception centre in 2017, 2018, 2021, 2022 and 2023.

For the 2023 season the City's EOC was activated on May 5th and continued to provide host community services until October 3rd (139 days). Within that period the ESS Reception Centre was moved 8 times to accommodate other municipal activities, adding unnecessary strain and confusion to the emergency operation as well as additional staff resources.

These movements were necessitated as no dedicated space for an ESS reception centre exists within the city. As such, civic facilities are used as they are available and reconfigured as prescheduled activities take place.

The proposed solution to this challenge would be for the establishment of a purpose-built, seasonally activated, facility to function as a dedicated host community ESS reception centre. Locating that facility in Prince George, as the most central and well positioned host community in the region, is suggested. Document Number: 703364 2

Resolution #2: Mandatory Holocaust Education in BC's Elementary Schools

Whereas Statistics Canada reported that there were 750 police reported hate crimes targeting religious minorities during 2022, of which 502 or 66.9% were aimed at Jews, and

Whereas Ontario recently became the first province to introduce mandatory Holocaust education into the elementary school curriculum,

THEREFORE, BE IT RESOLVED NCLGA recognizes the dangers of Holocaust denial and distortion, which so often targets our young people, and urges the Ministry of Education and Child Care to introduce mandatory Holocaust education to elementary schools as of the 2024-25 academic year.

Background: School boards are a vital governing body in our system and this resolution is intended to support our partners in their area of jurisdiction. Work has begun to suggest that a similar motion be advanced through the appropriate bodies by school district leadership. Still, as local governments have a social responsibility, and keen interest in, helping to foster inclusive diverse and peaceful communities it is appropriate that the membership of NCLGA considers this motion to advocate for mandatory Holocaust education in BC's elementary schools.

This is necessary as:

- In its 2022 audit of antisemitic incidents, B'nai Brith, Canada's oldest Jewish advocacy organization, nationally active since 1875, noted there were 2769 such incidents across Canada during the year of which 242 were in British Columbia.
- Statistics Canada in its 2022 document released July 27, 2023 on police-reported crime in Canada indicated that there were 750 police reported hate crimes targeting religious minorities during 2022, of which 502 or 66.9% were aimed at Jews.
- Ontario recently became the first province to introduce mandatory Holocaust education into the elementary school curriculum. Jewish organizations are urging all provinces and territories to introduce mandatory Holocaust education in elementary school.
- In tasking the Ontario College of Teachers to create an age-appropriate curriculum to teach the Holocaust starting in Grade 6, Education Minister Stephen Lecce indicated that according to the first study of antisemitism and Holocaust knowledge conducted by Western University and Liberation75 in 2021, 42 per cent of students surveyed said they have unequivocally witnessed an antisemitic event. This same study also found that one in three students in Ontario thought the Holocaust was fabricated, exaggerated or are unsure if it actually happened.
- Research compiled in the United States suggests that jurisdictions which make Holocaust education compulsory not only witness a dramatic decline in antisemitic incidents but also see a sizeable reduction in hate aimed at Blacks and Asians. A further study issued in September 2023 indicates that where Holocaust studies begin earlier in school and are mandatory there is heightened warmth toward religious and racial minorities.
- As survivors pass away, it is more important than ever that our schools play a key role in preserving Holocaust remembrance thereby protecting children from widespread Holocaust denial and distortion often disseminated online.

Resolution submission #3: Taxation on School District Property

WHEREAS there does not readily appear to be a mechanism by which local governments can recuperate the equivalent of property tax for childcare centers operating on school property, a placement that is encouraged by provincial policy, and;

WHEREAS local governments need every opportunity to collect the appropriate revenue for providing our wide range of services considering inflationary pressures and the challenges posed by asset management;

THEREFORE, NCLGA advocates to the Minister of Education and Child Care that a mechanism by which local governments can recuperate the equivalent of property tax for childcare centers operating on school property be established.

Background: The City of Prince Geore is supportive of the province's efforts to increase the number of childcare spaces across the province. However, concurrently, we ask that there be thought given to a mechanism by which local governments can recoup the equivalent of property tax for childcare centers operating on school property. While these facilities are much needed, we note that the unique placement of these operations, specifically encouraged by provincial policy, moves a greater number of these businesses, outside of the municipal jurisdiction to levy taxes. This is challenging financially and as all local government strive to ensure equitable taxation to service providers across the community.

Re: Support for Bill-34

Dear Premier,

The District of Hudson's Hope Council supports Bill-34 and the *Restricting Public Consumption of Illegal Substances Act*.

We believe that Bill-34 is a necessary step in addressing the ongoing crisis of drug addiction and overdose in our community. By restricting public consumption of illegal substances, we can create a safer and more welcoming environment for all residents, including children and families.

It is crucial that we continue to prioritize the health and safety of our community members and take action to address the harm caused by drug use in public spaces. We urge the Supreme Court to reconsider their decision and allow Bill-34 to be implemented so that we can better protect our community and prevent further harm.

The District of Hudson's Hope Council stands by its decision to support Bill-34 and will continue to advocate for the well-being of our residents. We are committed to creating a safe and thriving community for all and believe that restricting public consumption of illegal substances is an important step in achieving this goal.

Public spaces should be freely enjoyable by all community members and used for their intended purpose. While Council acknowledges that no person should feel compelled to engage in substance abuse alone and privately, but this should not come at the expense of degrading our public spaces.

Sincerely,

DISTRICT OF HUDSON'S HOPE

Council Resolution for consideration at NCLGA

Local Consultation for Provincial Impacts to Resource Sector Jobs

WHERE AS The provincial government does not currently have the obligation to meaningfully consult with municipalities and/or regional districts regarding provincial policy changes or decisions that impact employment for people that live in those municipalities and/or regional districts. The recent provincial policy changes and decisions have and will continue to negatively impact resource sector-based employment that disproportionately impacts rural, northern, and remote communities;

AND WHERE AS Rural, remote and northern communities local tax bases are dependent on a strong resource sector in order to provide services to those that live there;

THEREFORE, IT BE RESOLVED that NCLGA and UBCM lobby the provincial government to engage in meaningful consultation with the municipalities and/or regional districts whose people's employment in the resource sector may be negatively impacted by those provincial policy changes.

DISTRICT OF 100 MILE HOUSE

MEMO

Date: March 5, 2024
To: Mayor & Council
From: Administration
Subject: 2024 F-550 RMP 4X4 (Brush Truck)

At its Committee of the Whole meeting of February 27th 2024 Council authorized Fire Chief Bissat to proceed with securing a new “brush truck” for the District. The approved budget for this item was up to \$300,000 plus applicable taxes.

The attached quotation meets the criteria approved by Council.

The net cost to the District inclusive of all applicable taxes (less trade in value) is \$296,621.86

As per District Purchasing Policy any purchase exceeding \$30,000 is subject to a Formal Competitive Process (FCP). With limited supply and a high demand for these types of vehicles the Fire Chief was fortunate to identify an available unit.

Administration is requesting Council approval to waive District Purchasing Policy; thus, enabling the Chief to formally secure the available unit for the District with an anticipated delivery of May 2024.

Recommendation:

BE IT RESOLVED THAT the report from Administration dated March 5, 2024, regarding the purchase of a 2024 F-550 RMP 4X4 (brush truck) be received; and further

BE IT RESOLVED THAT Council waive the District purchasing policy and authorize Administration to proceed with the purchase of a “brush truck” for the quoted amount of \$296,621.86 inclusive of all applicable taxes.

COUNCIL REPORT
File No. 570-01

Regular: Mar 26, 2024

REPORT DATE: March 22, 2024
TITLE: 2024 COW Budget meeting follow up
PREPARED BY: S.Elias – Finance

PURPOSE:

The purpose of this report is to provide Council with information requested at the March 19th, 2024, Committee of the Whole meeting on 2023 tax collection, 2024 tax rates options, and cost of borrowing.

RECOMMENDATION:

Staff requires direction from Council on the selected rate increase for 2024 to proceed with preparation of the 2024 Financial Plan Bylaw.

BACKGROUND INFORMATION:

2023 Tax Collection:

Council requested information on the value of unpaid taxes at the end of 2023 compared to 2022.

	Current	Arrears	Delinquent	Total
O/S at Dec 31/2022	\$ 76,037.39	\$ 25,091.76	\$ 0.00	\$ 101,129.15
Number of Folios: 30				
Residential Folios: 25 - \$29,591.80 Commercial Folios: 5 - \$71,535.93				
O/S at Dec 31/2023	\$ 153,801.04	\$ 69,898.48	\$ 0.00	\$ 223,697.52
Number of Folios: 48				
Residential Folios: 30 - \$43,079.11 Commercial Folios: 18 - \$180,618.41				

The comparison illustrates outstanding taxes on Dec 31, 2023 were over double that of Dec 31, 2022. The difference is primarily made up of Class 6 – business folios. The number of outstanding business folios increased to 18 compared to 5 in 2022.

2024 Tax rates:

At the March 19th COW meeting administration proposed a 5% mill rate increase for the 2024 tax year. Council requested further information including 6%, 7%, and 10% increases. The chart below compares overall collection differences, and comparisons, for the average commercial and residential property.

2024 Average Residential Property Assessment: \$362,529 (2023 -\$346,268)
 2024 Average Commercial Property Assessment: \$433,148 (2023 -\$405,566)

	Municipal Tax Levy	Increase from 2023 Collections	Average Residential Municipal Tax Levy	Increase from 2023	Average Commercial Municipal Tax Levy	Increase from 2023
2023	\$ 2,709,331		\$ 842 <small>(Based on 2023 Average Residential Assessment)</small>		\$ 3,005 <small>(Based on 2023 Average Business Assessment)</small>	
5%	\$ 2,733,881	\$ 24,550	\$ 926	+84	\$ 3,369	+364
6%	\$ 2,754,269	\$ 44,938	\$ 935	+93	\$ 3,401	+396
7%	\$ 2,774,656	\$ 65,325	\$ 943	+101	\$ 3,433	+428
10%	\$ 2,835,819	\$ 126,490	\$ 970	+128	\$ 3,529	+524

It is important to consider what effect the proposed rate increases will have on our remaining Class 4 – Major Industry.

Class 4 Assessment	2023 Collections	5% rate increase	6% rate increase	7% rate increase	10% rate increase
7,330,000	\$ 393,165	\$ 440,632	\$ 444,828	\$ 449,025	\$ 461,614
		Increase of \$ 47,467	Increase of \$ 51,663	Increase of \$ 55,860	Increase of \$ 68,449

Cost of Borrowing Scenarios:

Council requested various borrowing scenarios with estimated annual payments and total cost of borrowing.

At the 2022 fiscal year end the District had a liability servicing capacity of \$1,222,838. The Liability Servicing Capacity is the maximum value of annual debt payments the province will allow a municipality to carry.

While the province allows up to this limit it is imperative to consider the District’s ability to make the payments while maintaining operations and contributing to capital reserves. Moreover, if the District were to borrow for a current capital project it limits our ability to borrow for more pressing projects in the future.

Debt amount	10 Year amortization - annual payment	10 Year - Total Repayment	20 Year amortization - annual payment	20 Year - Total Repayment	30 Year amortization - annual payment	30 Year - Total Repayment
\$ 3,000,000	\$ 388,016	\$ 3,880,156	\$ 244,921	\$ 4,898,424	\$ 197,227	\$ 5,913,803
\$ 5,000,000	\$ 646,693	\$ 6,466,927	\$ 408,202	\$ 8,164,040	\$ 328,711	\$ 9,861,338
\$ 10,000,000	Over limit		\$ 816,404	\$ 16,328,079	\$ 657,423	\$ 19,722,677

REPORT DATE: January 27, 2024
TITLE: Fees & Charges Amendment Bylaw 1418-2024
PREPARED BY: T. Conway – Director of Community Services

PURPOSE:

The purpose of this report is to provide Council with information on Fees & Charges Amendment Bylaw 1418-2024, a bylaw to amend current Fees & Charges Bylaw 1409-2023.

RECOMMENDATION:

Recommended Resolution

THAT the Fees & Charges Amendment Bylaw 1418-2024 be read a first, second and third time this 26th day of March 2024.

BACKGROUND INFORMATION:

In the recent Fees and Charges Bylaw 1409-2023 the building fees were changed. The intention was to mirror the Cariboo Regional District's fees for building in the 100 Mile House surrounding area. It has been since noticed that there was an additional fee in the District Bylaw that made permits more costly to District residents than CRD residents.

Amendment Bylaw 1418-2024 resolves this discrepancy as well as clarifies the wording for application fees.

ALTERNATIVES:

- 1. That the Bylaw be read a first, second and third time.
- 2. That Council direct staff to make additional edits to the bylaw.

BUDGETARY IMPACT: n/a

POLICY IMPLICATION: Amends Fees & Charges bylaw 1409-2023.

**District of
100 MILE HOUSE**

**COUNCIL REPORT
File No. 570-01**

Regular: Mar.26.2024

REPORT DATE: March 15, 2024
TITLE: Public Notice Bylaw No. 1420, 2024
PREPARED BY: S.Elias – Deputy Director of Corporate Admin

PURPOSE:

It is being proposed that the District of 100 Mile House Council adopt a bylaw to provide an alternate means of publishing a notice that does not require advertising only in a newspaper.

RECOMMENDATION:

Recommended Resolution

THAT the memo from Administration regarding a Public Notice Bylaw 1420 -2024 be received, and
THAT Public Notice Bylaw 1420-2024 be read a first, second and third time this 26th day of March 2024.

BACKGROUND INFORMATION:

On November 25, 2021, Bill 26, being the provincial Municipal Affairs Statutes Amendment Act (No.2), 2021, received Royal Assent and came into effect.

Amongst other things, this Bill amended the Local Government Act and the Community Charter to allow local governments the ability, by bylaw, to provide for alternative means of publishing a notice instead of using a local newspaper.

A bylaw adopted under Section 94.2 of the Community Charter must specify at least two (2) means of publication by which a notice is to be published, and this may include internet or other electronic means.

Importantly, the Council must consider the principles prescribed by the Minister, under regulation, before adopting such a bylaw. On March 1, 2022, the Minister of Municipal Affairs prescribed the Public Notice Regulation (see Attachment No. 1).

In the absence of a public notice bylaw, Section 94.1 (Default publication requirements) of the Community Charter requires that a notice must be published as follows (**NOTE: this is the method currently used by the District**):

- (a) in a newspaper that is distributed at least weekly
 - (i) in the area affected by the subject matter of the notice, and
 - (ii) if the area affected is not in the municipality, also in the municipality, and
- (b) unless this or another Act provides otherwise, once each week for 2 consecutive weeks.

Options for alternative means of notice that are readily available to the District are:

- Posting on the District website
- New Email subscription service

Analysis:

Administration considers the cost associated with advertising statutory notifications in local newspapers to be ever increasing and considers there to be merit in implementing alternate methods of notification.

A local government must consider the reliability, suitability and accessibility of the various options for providing notices prior to adopting a public notice bylaw, Administration considers that a principal benefit of moving to electronic notification is no longer relying on outside sources to ensure that legislative requirements are met.

The District's website is accessible to anyone with either a computer or mobile device connected to the internet and is significantly easier to update with new or corrected information than is a newspaper advertisement.

Similarly, anyone from the public can subscribe for free to the District's email subscription service, which is capable of reaching residents by email advising of upcoming events related to a land use application, amendment bylaw (e.g. public information meeting or public hearing) or other statutory notification.

As with the District website, the subscription service is equally flexible in terms of sending out updated information with the webpage at minimal cost to the District.

If a public notice bylaw is adopted, Administration is anticipating that the application fees for bylaw amendments (Zoning and OCP) and Development Variance Permits could avoid being reviewed, as currently the advertising costs amount for on average 65-75% of the application fees.

It is important to note that if Council were to adopt a Public Notice bylaw that would not limit the ability for notices to be placed in the newspaper, it would simply mean that we would not have to. An amendment to the current advertising policy could outline when newspaper advertising would be used.

ALTERNATIVES:

1. That the Bylaw be read a first, second and third time.
2. That Council direct staff to make edits to the bylaw.
3. Continue to advertise in accordance with CC Section 94.1 (default publication requirements)

BUDGETARY IMPACT: Reduced advertising expenses.

POLICY IMPLICATION: Policy and Procedure Manual would require editing to match advertising requirements of the bylaw.

Bylaw No. 1420

A Bylaw to provide for an alternative means of publishing a notice

WHEREAS pursuant to section 94.2 of the *Community Charter*, the Council may adopt a Bylaw to provide an alternative means of publishing a public notice;

AND WHEREAS, pursuant to section 94.2(3) of the *Community Charter* and section 2 of the *Public Notice Regulation, B.C. Reg. 52/2022*, the Council considers the means of publication set by this Bylaw to be reliable, suitable for providing notices, and accessible;

NOW THEREFORE, the Council of the District of 100 Mile House in open meeting assembled, enacts as follows:

1. This Bylaw may be cited for all purposes as the “District of 100 Mile House Public Notice Bylaw No. 1420, 2024.”
2. That the means of publication for public notice requirements under the *Community Charter*, *Local Government Act*, or any other enactment may be given by the following methods:
 - i) electronically by posting the notice on the District of 100 Mile House website; and
 - ii) electronically by distributing the notice through the District of 100 Mile House email subscription service.

READ A FIRST, SECOND AND THIRD TIME this 26th day of March, 2024.

ADOPTED this this ____ day of _____, 2024.

PUBLIC NOTICE REGULATION

B.C. Reg. 52/2022

Definition

- 1** In this regulation, “**Act**” means the *Community Charter*.

Principles for effective public notice

- 2** (1) Before adopting, under section 94.2 of the Act, a bylaw providing for alternative means of publishing a notice, a council must consider the following principles:
- (a) the means of publication should be reliable;
 - (b) the means of publication should be suitable for providing notices;
 - (c) the means of publication should be accessible.
- (2) Means of publication are reliable if
- (a) they provide factual information, and
 - (b) publication takes place at least once a month or, if the means of publication is a website, the website is updated at least once a month.
- (3) Means of publication are suitable for providing notices if
- (a) they allow all information in a notice to be displayed legibly,
 - (b) they allow a notice to be published by the required date, and
 - (c) they allow a person to consult a notice more than once during the period from the date of publication until the date of the matter for which notice is required.
- (4) Means of publication are accessible if
- (a) they are directed or made available to a diverse audience or readership, and
 - (b) they are easily found.
