

100 Mile House

BUSINESS NEWS SUMMER SPOTLIGHT 2026

Plan Ahead. Keep Business Strong in 100 Mile.

Thinking about your next chapter?

Planning A Successful Succession (PASS) helps 100 Mile business owners prepare early, make informed decisions, and keep strong businesses contributing to the local community.

Why it matters locally:

Local businesses are essential to 100 Mile—supporting jobs, services, families, and community life. Succession planning helps ensure those businesses continue serving the area for years to come.

Whether you plan to sell, transfer to family, or transition to employees, PASS helps you protect what you have built and prepare for the future of your business.

How PASS can help

Price Determination	Understand your business value and explore options that support your goals and the local market.
Customized Coaching	Get practical support to plan, prepare, and position your business for a smooth transition.
