Attention: **Tammy Boulanger**
Chief Administrative Officer

Subject: **Appointments to the Cariboo-Chilcotin/Lillooet Regional Advisory Committee Following Local Government Elections - Northern Development Initiative Trust**

Northern Development Initiative Trust (Northern Development) is an independent regional economic development corporation focused on stimulating economic diversification and job creation in central and Northern British Columbia.

Northern Development's board of directors is advised by four regional advisory committees comprised of elected local government leaders from each of the regions. This ensures that local knowledge is incorporated into Northern Development's Strategic Plan as well as funding approval processes.

In follow-up to the local government elections held on October 17, 2026, please consider this letter as Northern Development Initiative Trust's request to have appointments to the Cariboo-Chilcotin/Lillooet Regional Advisory Committee listed as an agenda item at your November 2026 council/board meeting. Please appoint an elected official to the Cariboo-Chilcotin/Lillooet Regional Advisory Committee as well as an alternate who may represent your appointee in his/her absence.

We are seeking appointees with experience or interest in economic development, where possible. Attached with this letter is a brief outline of the role of the regional advisory committee, time requirements, meeting dates for 2027 and the committee's terms of reference.

It is important that you advise our office by Monday, November 30, 2026, so that we can send an agenda package to the appropriate representative prior to the first scheduled regional advisory committee meeting in January 2027.

The first meeting of the Cariboo-Chilcotin/Lillooet Regional Advisory Committee is scheduled for Tuesday, January 26, 2027. At that meeting, committee members will elect a Chair and Vice Chair for the Cariboo-Chilcotin/Lillooet Regional Advisory Committee. Please note, the appointed member will receive additional information to support orientation in the weeks following the appointment.

Please confirm receipt of this request. If you have any questions or concerns with this request, please contact Angela Anfield, Corporate Administrator, Northern Development by telephone at 250-561-2525 or via email at angela@northerndevelopment.bc.ca.

Thank you.

Sincerely,

Benjamin Campbell
Chief Executive Officer

Northern Development Initiative Trust

Regional Advisory Committee Guide

Overview of the Regional Advisory Committee's Role

The regional advisory committee's role is to provide advice to the board on governing the Trust's assets and corporate policy. It is also the responsibility of the committees to elect two of their members to represent them on the board for two-year terms. Although each regional advisory committee member is appointed by a local government or represents a provincial constituency or appointment, the committees are intended to function in the best interests of the corporation and to make decisions by consensus or vote.

The board of directors should ensure that the money in each regional development account is spent in accordance with the recommendation of the regional advisory committee for the region. That said, the board of directors may reject any recommendation made to them by the regional advisory committee.

The regional advisory committees may identify projects that they consider appropriate for the application of the money in the Cross Regional Account and the Pine Beetle Recovery Account and may recommend to the board the ways in which the money in the regional development account, applicable to their region, could be spent.

The regional advisory committees are critical to the success of the Trust as they provide important local area intelligence that informs the Trust's program and initiatives and are the source of most directors who join the board of the corporation. In this way, it is important to work with each committee to identify and develop possible board candidates to ensure the long-term continuity of the corporation.

Each regional advisory meets quarterly, approximately one month prior to a meeting of the Trust's board of directors. This is done to ensure that each committee has an opportunity to provide support, advice or direction on projects and initiatives within its area before the board deliberates on specific projects or initiatives.

Time requirements

Regional advisory committee members meet four time per year. Meetings are generally four hours in length but can be longer or shorter depending upon the size of the meeting agenda. At least two of the four meetings are held in person each year, typically the first two meetings of the year.

Committee members are required to attend 75% of meetings each year. Each year's meeting dates are adopted by the regional advisory committee in the autumn of the previous year. If committee members can't attend a meeting, they are to notify the Trust's Executive Coordinator and arrange to have their alternate attend on their behalf.

Committee members are required to review each meeting agenda prior to the meeting. Agendas are typically sent out 1-2 weeks ahead of each meeting.

In-person meetings are held in centralized location to maximize attendance from committee members who represent vast geographic areas.

Due to lengthy travel distances in some regions, a hotel stay may be required to facilitate members' attendance at meetings. Board members and Regional Advisory Committee members that are elected local government officials are eligible for the municipal rate when booking rooms and that rate should be requested at the time of booking. Miscellaneous charges for mini-bar, movies, or alcoholic beverages, etc. will not be reimbursed.

2. Airfare:

Return airfare costs may be incurred to attend meetings. These expenses should be the most direct flight option available and will be paid upon receipt of the paid invoice.

3. Mileage:

This expense is for use of a personal vehicle to attend meetings. Return mileage from the member's home location to the meeting location is claimable at a rate of $0.53 per kilometre.

4. Meals and Per Diem:

The per diem allowance is designed to cover all meal and gratuity costs for the member to attend the meeting. Members of the Board and Regional Advisory Committee are entitled to claim $100.00 per diem for each meeting day in lieu of out of pocket expenses. Where travel is required, if the member leaves prior to 12:00 noon to travel to the meeting, he/she is entitled to claim $100 full day per diem. If the member leaves after 12:00 noon, he/she is entitled to claim a ½ day per diem of $50. Members may claim $30 per month for cell phone/internet use as long as they are not being reimbursed by another community or organization. This amount is only to be claimed for the month the meeting was held.

5. Miscellaneous Expenses:

Incidental expenses incurred in the normal course of attending a meeting (e.g. taxi, parking, and/or telephone charges) may be claimed. All receipts must be attached. Northern Development will not accept claims for fines or dues.
