Date: April 7th, 2022
To: Mayor & Council
From: Finance
Subject: Court of Revision Summary

During the course of 2021 the following property changes occurred resulting in frontage changes:

- DL 2138, PID 003-871-171 was subdivided into two lots, no change in frontage to the remainder and a new lot was created as Lot A, Plan EPP11456. This resulted in an increase of 60.00 meters of water and sewer taxable frontage increasing water collection by \$284.36 and \$295.21 in sewer.
- As part of the COR process, it was corrected that the following parcels are applicable to water frontage:
 - Lot 1, Plan KAP55350, PID 023-169-168 (40029.200) : 439.56 actual / 60 taxable / \$284.36
 - Lot B, Plan KAP89661, PID 028-017-170 (40029.550) : 195.49 actual / 60 taxable / \$284.36
 - Lot A, Plan KAP89661, PID 028-016-947 (40029.500) : 360.33 actual / 60 taxable / \$284.36

Letters informing the property owners of the new water and sewer frontage charges were mailed on March 17th, 2022 giving the opportunity to submit any complaints in writing before April 7th, 2022.

The annual debt and interest payment associated with Blackstock Sewer Specified Frontage remains at \$9,204.37, no changes are required to the previous rate of \$278.92 per parcel.

Total changes to the frontage rolls are as follows:

- | | |
|-------------------|-------------------------------|
| ✓ Water Frontage: | Addition of 240m / \$1,137.44 |
| ✓ Sewer Frontage: | Addition of 60m / \$295.21 |

One written complaint/appeal against the said roll has been received from the Hillside Community Church on the basis of connection feasibility, benefit and funding availability.

The District must adhere to the Community Charter legislation in relation to parcel tax revenue and any provided exemptions. The current legislation does not provide the municipality with the authority to establish variations or exemption to any parcel from a parcel tax. For reference the pertinent legislation is as follows:

Community Charter – Section 192 & 193

Dear Mayor and Council,

Re: Frontage Tax: Folio # 557 40029.550 Legal: Lot B, Plan KAP89661, PID 028-017-0170

Firstly, I would like to say that as a church, we are grateful to be part of the District of 100 Mile House and understand the need for taxation funding to support municipal projects such as the community water system.

When the community water line was under construction in 2019, we conducted an in-house study to see if it would be feasible for us to tap into the new system. Because our buildings are more than 100 meters from the new community water line, it is very unlikely that we will ever connect into the community system as the high costs associated with running proper lines to our buildings is cost-prohibitive.

We are a registered non-profit charity, providing religious services for approximately 150 members of the community. In addition to this we are supporting the work (rent free) of the Loaves and Fishes food bank and free thrift shop, providing assistance to hundreds of people in financial need on a regular basis. We also run a donated charity furniture distribution outlet which actively renders assistance to numerous people in need. In addition, we host the Cariboo Rhythmic Gymnastics club in our facilities (Rent Free) in exchange for them paying for the utilities they use and the covering of basic building maintenance fees. During the 2017 forest fires, we spearheaded fund raising efforts and distributed more than 60,000 dollars in emergency funding to local property owners whose properties were destroyed by the forest fires. Families in our community, who are not part of our organization, regularly use our playgrounds and adjacent open areas for picnicking and other family activities.

- 1) Our institution is benevolent in nature and we depend solely on donations to fund our daily operations. Over the past 2 years in particular, our budget has been very tight.
- 2) We will unlikely be receiving any benefit from the community water infrastructure in the foreseeable future.

For these reasons, we respectfully request that the Mayor, Council and Assessor, consider our position as a charitable organization and waive the proposed frontage tax fees

Thank-You,

Pastor Clint Lange
