## DISTRICT OF 100 MILE HOUSE

### MEMO

---

Date: Dec. 20, 2022

To: Mayor & Council

From: Planning

Subject: Development Variance Permit  
New Wine Deliverance & Healing Fellowship; Kenneth and Latisha Smith  
Lot 1, Plan 29403, except Plan KAP44592, DL 32, Lillooet District  
438 Birch Avenue

---

Please find attached a Development Variance Permit (DVP) application from Dennis Smith for the property located at 438 Birch Ave, legally described as Lot 1, Plan 29403, except Plan KAP44592, DL 32, Lillooet District.

The DVP application requests Council's consideration to vary the parking requirement under *Zoning Bylaw 1290, 2016*, s. 5.0, Tables 2 and 3 (attached), which specifies:

*Table 2 – Offices require 1 parking space per 30 m<sup>2</sup> of gross floor area*

*Table 3 – Assembly Use requires 1 parking space per every 5 seats or 10 parking spaces per 100 m<sup>2</sup> of public assembly area, whichever is greater*

The applicant wishes to convert the building from all office space to some office and some assembly use. This changes the on-site parking requirement. Based on the square footages provided by the applicant, the new space configuration would require 27 parking spaces. The property currently has 16 spaces.

The application has been referred to affected agencies and municipal departments. To date, several comments have been returned with no objection in principle. Any additional referral comments received will be brought forward at the Council meeting.

Should Council be in favour of the application as presented, the following resolution would be in order:

BE IT RESOLVED THAT Council of the District of 100 Mile House authorize staff to proceed with advertising and notification of adjoining property owners, of Council's intent to consider issuance of a Development Variance Permit to New Wine Deliverance and Healing Fellowship and Kenneth and Latisha Smith for the property located at 438 Birch Avenue, and legally described as Lot 1, Plan 29403, except Plan KAP44592, DL 32, Lillooet District to vary Zoning Bylaw No. 1290, 2016, s. 5.0 from the requirement for 27 parking spaces to only 16 parking spaces, in substantial accordance with the application as submitted on Dec. 8, 2022.

The following process and timeline are in order:

Council Resolution authorizing DVP to proceed	Jan. 10, 2023
Notification to adjoining property owners	Feb. 1, 2023
Posted to District Website	Feb. 1, 2023
Newspaper advertisement	Feb. 9, 2023
Council consideration of issuing a DVP	Feb. 14, 2023

#### Reasons in Support of Application

Reasons and comments in support of the application (use separate sheet if necessary)

The property is currently used for offices. OUR CHURCH KNOWN AS NEW WINE FELLOWSHIP HAS ENTERED JOINTLY IN AGREEMENT WITH WHITE STAG LAW TO PURCHASE PROPERTY UPSTAIRS REMAINS THE SAME USE BUT THE LOWER FLOOR WOULD BE OUR NEW CHURCH. CURRENTLY 15 TO 30 ADULTS MEETING ON A WEEKLY BASIS, WITH CHILDREN AS WELL WE WANT TO HAVE ALLOWANCE FOR 20 ADULTS/CHILDREN SHOULD THE NEED ARISE.

RE : Parking Variance Application

December 8 2022

Further to our application, we are hoping to establish our congregation, in the "Peter Messner" building. My Son Kenneth did his training and article work with and under Peter to attain his Law Degree and License. After a few years, Kenn went on his own across the road, and Peter came and asked if he would like to buy the building. As Kenny and I considered, we thought it would be an excellent place for our church "New Wine" to call the lower portion home. At the time we had about 20 to 25 people all together with children and adults. We have seen that grow to 30 and 40 people, and so would like to "project" and perhaps grow to 60 or 70, or at least leave that door open.

So in order to satisfy the requirements, we have an architect that is coming to look over the project on Wednesday December 14 2022. We have already entered in an agreement for his professional services.

The need is now to accommodate the parking, and because we have our main service on Sunday morning, when the town is on a rest, we were hoping we could have counsel to consider the parking requirements, to be amended for The Sunday morning worship service from the 16 units we have now for parking, and allow us to have an occupancy of up to 70. The offices are not in use on Sunday or Saturday for that matter, and the off road, as well as on road parking along with other closed business would be all that we require for the 2 hours or so, on Sunday mornings.

thank you for your consideration

Dennis Smith.

### MEMO

---

**Date:** Jan. 5, 2023  
**To:** Mayor & Council  
**From:** Administration  
**Subject:** Change of Hours – Cask & Cleaver Brewing

---

#### Public Hearing & Regular Council Meeting – Jan. 10, 2023

Enclosed is an application from Cask and Cleaver Brewing for a change of hours of liquor service. The proposal is to change liquor service hours:

FROM:	10 am – 8 pm	Mon-Thurs
	10 am – 10 pm	Fri – Sat
	10 am – 7 pm	Sun
TO:	10 am – midnight	Daily

The Cask and Cleaver is located at 175 Cariboo Hwy 97, and the property is zoned C-2, which allows for the current brewery use.

Surrounding land uses include: 7-11 / Petro Can to the north, Chevron to the south, Rosewood Building (mixed service and retail) to the east, Tim Horton's and Dairy Queen to the west.

The nearest proximity to other uses are:

Residential	Heron Ridge, Sandhill Crescent, Cecil Place
Institutional	Service BC, Community Hall, 100 Mile Elementary, Martin Exeter Hall
Liquor & Cannabis Retail	Lakewood Inn, BC Liquor Store

Council must gather the views of residents and businesses that may be affected by the amendment to an existing liquor licence. The Public Hearing was advertised in the 100 Mile Free Press on Dec. 29, 2022 and Jan. 5, 2023 and on the District's website beginning on Dec. 29, 2022.

Notification letters were sent and/or delivered on Dec. 22, 2022 to property owners and known tenants within a 60 meter radius of the subject property.

To collect the views of residents that may be impacted by the application, the District will hold a Public Hearing in accordance with District of 100 Mile House Liquor and Cannabis Licencing Policy. In addition, Council must consider and comment on the following in determining whether the license amendment should be issued:

- the impact of noise on nearby residents;
- the impact on the community if the application is approved;
- the views of residents and a description of the method used to gather views;
- the local government recommendations (including whether or not the application is approved) and the reasons on which they are based.

Council may consider the following criteria when determining community impact:

- location of establishment
- proximity of establishment to other social or recreational facilities and public buildings
- proximity of establishment to other similar establishments
- occupant load and hours of operation
- traffic, noise, parking and zoning
- population, density and trends
- relevant socio-economic information
- applicant's security plan
- overall business proposal
- any other criteria that Council considers relevant

A sample resolution is attached for Council consideration.

### Sample Resolution

**WHEREAS** Cask & Cleaver Brewing has applied for a Change of Hours of Liquor Service FROM 10 am to 7 pm, 8 pm or 10pm depending on the day of the week, TO 10 am to midnight daily; and

#### **WHEREAS**

- The Change of Hours of Liquor Service is an amendment to an existing Manufacturer's Licence;
- The location of the establishment is in a commercial highway corridor, zoned C-2, and is removed from nearby residences; and

**WHEREAS** the impact of approval of the Change of Hours of Liquor Service on the community has been considered, and comments from the surrounding property owners, tenants, and the community at large have been solicited and heard by written comment and Public Hearing; therefore

#### **BE IT RESOLVED THAT**

- The Council of the District of 100 Mile House confirms that it considers the impact of noise on nearby residents to be minimal;
- The Council of the District of 100 Mile House confirms the change of hours of liquor service on the community will not generate a significant increase in traffic volumes, nor cause late-night policing concerns;
- The Council of the District of 100 Mile House confirms that the views of residents and businesses within 60 metres of the establishment were gathered by written invitation to provide comments in writing or in person at a Public Hearing, held Jan. 10, 2023 at 6:30 pm. Notices were hand delivered to commercial tenants within a 60 metre radius, ads were posted on the District of 100 Mile House website and social media channels, and in the Dec. 29, 2022 and Jan. 5, 2023 issues of the Free Press;
- The Council of the District of 100 Mile House confirms its support of the license amendment, which would prove favorable to the local economy; support tourism and have a positive social impact in the community; and further

**BE IT RESOLVED THAT** the Council of the District of 100 Mile House **recommends** the issuance of the Change of Hours of Liquor Service.

The following is in regards the proposed hour change application by the owners of Cask & Cleaver Brewing, Neale WARD and Daniel BRAATEN, for the Brewery located at 175 Cariboo Hwy, 100 Mile House. Lot 1 Plan KAP13445 District Lot 31 Land District 27 Except Plan 38708 PID: 008-485-232.

Cask & Cleaver Brewery Ltd, owned and represented by Neale WARD and Daniel BRAATEN, is applying to have the current licensed service hours changed from the existing limited hours to 1000hrs-0000hrs (midnight) daily. This change would allow for more flexibility with the seasonally changing demands of service for our quality crafted food and locally brewed beer for locals, travellers and vacationers alike.

The location of Cask & Cleaver is at 175 Cariboo Hwy, across the highway from the Tim Hortons and beside 7-Eleven/PetroCanada. Situated on the North end of town it is the only local non-chain option offering local draught beer and hand-crafted, restaurant style meals. This had led to an increased demand, not previously seen by earlier iterations of local breweries. To enable and support future growth of this local endeavor we are seeking set hours with a wide flexibility to accommodate the varied and changing demands of our ever-growing client base.

The intention of the enhanced hours is to be able to accommodate the increasing request for events such as Christmas Parties, Corporate Events, wedding receptions and service that more closely follows daylight hours in the summer. To date, Cask & Cleaver has participated in many local events providing its' handcrafted foods and local beer including the Christmas Craft Fair and First Annual Softball Tournament. During the summer months, when daylight extends well past current service hours, numerous requests were received to be open later into the evening while the sun was still out and the patio provided a great spot for socializing after summer activities had concluded. The inability to meet this expectation led to missed opportunities and no other option for those seeking to relax in town where children are welcome that is not a traditional restaurant.

Cask & Cleaver does not intend to become a night-life styled location and will continue to provide a safe, community focused and family friendly environment which encourages moderation of consumption in a safe, comfortable, social atmosphere. This is demonstrated through our family friendly events such as Trivia, Crib League and Paint Nights. All of which have drawn a widespread demographic, whom have all provided nothing but positive feedback and gratitude for bringing new and exciting opportunities for social gathering and artistic expression.

The impact of this request to the Community will continue be positive as Cask & Cleaver persists in its goal of securing its niche in the Community and develop both a local and transient following. As it continues to grow it will continue to provide a unique flare and flavour which strives to support the local economy and businesses. Other small communities around B.C., such as Penticton with Bad Tattoo and Slackwater Brewing, Sidney with Beacon Brewing and Port McNeill with Devil's Bath, have benefited from quality craft breweries as they draw both tourists and locals for a unique and memorable experience that helps put the towns front of mind. These establishments operate much the same as Cask & Cleaver intends to. The future and ongoing benefits from the successful growth of Cask & Cleaver will be reflected in tourism, community support, involvement and ultimately, growth in the local economy.

## Provide Comment on Change to Hours of Liquor Service (LOUNGE - Outside Service Hours) Application

Licensees may apply to revise hours of liquor service, subject to any restrictions within the Liquor Control and Licensing Act, Regulations, branch policies and/or original terms and conditions of licensing.

The application fee is \$330.

If you leave this page, the information you input will be saved. You can continue later from the dashboard.

### BEFORE STARTING THE APPLICATION

This application is to request a change to the hours of service **outside the hours currently approved** for the **Lounge Area** for your manufacturer licence. To make a change within the hours currently approved, or to change the hours of service for Special Event Area you must submit a different application.

If an LG/IN is the applicant, the Branch will gather community input and consider the regulatory criteria; the LG/IN is not permitted to conduct public input or provide comments on their own application. This is to prevent conflicts of interest. The applicant must pay any costs incurred to obtain the views of residents.

If you have any questions about this application, contact the Liquor and Cannabis Regulation Branch (LCRB) at [LCRBLiquor@gov.bc.ca](mailto:LCRBLiquor@gov.bc.ca) (<mailto:LCRBLiquor@gov.bc.ca>).

**Date:** December 23<sup>rd</sup>, 2022  
**To:** Mayor & Council  
**From:** Administration  
**Subject:** BC Assessment – Permissive Tax Exemption Case Law

---

At the December 13<sup>th</sup> Regular meeting Council put forth a motion to *direct staff to inquire to BC Assessment if AB 2003 AA08 v. Royal Canadian Legion North Shore #118 et al is still current case law on the subject.*

We reached out to a BC Assessment senior appraiser, provided the context of the referenced case law and we received the following response via e-mail:

*I was able to look into this a bit more, and determined that there has not been a precedence setting decision since the one attached, however, there has been a re-interpretation of the Community Charter legislation and it's intent regarding permissive exemptions. The most recent direction we have received was in 2017; the direction was that under Section 224 (a)ii and (b)ii the intention of the legislation is meant to provide a broader spectrum for Local Government to pass permissive exemptions.*

*224. (2) Tax exemptions may be provided under this section for the following:*

- (a) land or improvements that
  - (i) are owned or held by a charitable, philanthropic or other not for profit corporation, and*
  - (ii) the council considers are used for a purpose that is directly related to the purposes of the corporation;**
- (b) land or improvements that
  - (i) are owned or held by a municipality, regional district or other local authority,*
  - and*
  - (ii) the council considers are used for a purpose of the local authority**

*Under these sections it is the municipality that completes their due diligence to ensure they are satisfied that the space is "used for the purpose of the corporation/municipality". The onus is on the municipality to ensure all sections of the Community Charter are considered before passing a permissive exemption by-law. As such, BC Assessment would apply the permissive exemption as written and not make any further determination regarding the appropriateness of the exemption. The municipality may pass an exemption bylaw, under these sections, regardless of actual use or classification, as they see fit. A good number of municipalities have opted to only exempt portions of these properties that are not in class 6, but that is at their discretion.*

This memo has been provided as directed for Council members information only.

Respectfully submitted,

Tammy Boulanger  
Director of Finance

**Date:** December 20, 2022  
**To:** Mayor & Council  
**From:** Administration  
**Subject:** Communities in Bloom

---

The District has enrolled in the Communities in Bloom program for the last few years. The registration for 2023 is now open. The application fee is \$600.00.

The District has historically paid the enrollment fee while a community group has facilitated the program and the judging tour. A community group to work on the 2023 program has yet to be established.

In 2022 the District of 100 Mile House earned four (4) Blooms and an additional award for floral and plant displays.

It is important to note that while Communities in Bloom does have a theme every year, the theme is announced after all the planning and ordering is done for the upcoming growing season.

Should Council wish to continue with the Communities in Bloom program the following resolution would be in recommended.

#### **RECOMMENDATION:**

**BE IT RESOLVED THAT** the District of 100 Mile House fund the application fees for the 2023 Communities in Bloom program.
