

OFFICIAL COMMUNITY PLAN AND ZONING BYLAW UPDATE

NOTICE OF OPEN HOUSE

The District of 100 Mile House is updating the Official Community Plan (OCP) and Zoning Bylaw (ZBL) to guide the community's future growth and development. These updates will incorporate the findings of the District's updated Housing Needs Report to ensure the identified 20-year housing need is accommodated.

Throughout the entire project, we want to hear from you!

Your vision and priorities will provide direction on how to update the OCP and ZBL in ways that resonate with you and help the community achieve shared goals. Join us at one of the engagement sessions to learn more and share your thoughts.

The public engagement session will be held in an open house format with a presentation, display boards, and opportunities to ask questions directly to the District and Project Team.
